

Aim & Scope

Miniaturization and high precision are rapidly becoming requirements in many industrial processes and products. As a result, there is greater interest in the use of laser micro fabrication approaches to achieve these goals. The International Symposium on Laser Precision Microfabrication (LPM) is alternatively held in Japan and in other host countries. To the date, LPM has been successfully hosted in Omiya, Singapore, Osaka, Munich, Nara, Williamsburg, Kyoto, Vienna, Quebec, Kobe, Stuttgart, Takamatsu, Washington D.C., Niigata, Vilnius, Kokura, Xi'an, Toyama, Edinburgh, Hiroshima, Dresden and Hirosaki.

The aim of this symposium is to provide a forum for discussion of fundamental aspects of laser-matter interaction, the state-of-the-art of laser materials processing, and topics for the next generation with fundamental scientists, end users and laser manufacturers. We expect that LPM2024 would play an important role not only for understanding fundamental knowledge of laser precision microfabrication but also forecasting future technologies to be developed and the future laser market.

About San Sebastian

San Sebastian, also known as Donostia-San Sebastián, is a captivating coastal city in the Basque Autonomous Region, Spain. It's the capital of Gipuzkoa province and home to 188,102 residents in 2021. Despite its size, San Sebastian boasts four universities and numerous research institutes, making it a vibrant hub for academics and researchers.

Topics

- Fundamental aspects (Dynamics, modelling, simulation, etc.).
- Laser and photochemistry.
- Ultra-short pulse laser processing.
- Burst ablation.
- Advanced laser processing (Fiber laser, disc laser, FEL, etc.).
- Glass/Ceramic processing.
- VUV laser and X-ray processing.
- Nanotechnology.
- Nano ripple formation.
- Nano- and micro-particles (including laser synthesis and processing in liquids).
- Micro-machining.
- Micro-drilling and micro-cutting.
- Micro-welding and micro-bonding.
- Micro-forming.
- Micro-patterning and micro-structuring.
- Surface processing (Texturing, cleaning, annealing, modification, etc.).
- 3-D micro- and nano-fabrication.
- Film deposition and synthesis of advanced materials (PLD, CVD, etc.).
- Laser-based direct-write techniques.
- Laser-induced forward transfer (LIFT) techniques.
- Lithography (including EUV source and application).
- Laser devices.
- Beam shaping.
- Optics and systems for laser microprocessing.
- Process monitoring and control.
- Packaging and mounting process.
- Manufacture of micro devices and systems.
- Medical and biological applications.
- Industrial applications.
- Others.
- Special Session: TBA.

Sponsorship opportunities

Platinum sponsor

Main sponsor of the congress

9.000 € + VAT

- Available for 1 company
- 3 Full congress registrations (including Gala Dinner)
- Opportunity to make short presentation in the Opening Session
- Exhibition space in a prominent location (table, 2 chairs, power sockets)
- Sponsor's logo displayed on the screens at the Opening and Closing Sessions.
- Sponsor's logo displayed at the official Roll-ups of the congress.

- Available for 1 company.
- 2 Full congress registrations (including Gala Dinner)
- Opportunity to make short presentation in the Gala Dinner.
- Sponsor's logo displayed by roll-ups at the Gala dinner venue (Roll-up should be provided by the Sponsor).
- Sponsor's logo in the Final Programme (medium size)
- Acknowledgement during opening and closing ceremony
- Half page colour advertisement on one of the inner pages of the Final Programme
- Brief description of the company profile with logo on the LPM2024 website.
- Company logo with hyperlink published on the LPM2024 website

Exclusive sponsorship of the welcome reception cocktail

5.000 € + VAT

- Available for 1 company.
- 2 Full congress registrations (including Gala Dinner)
- Opportunity to make short presentation in the Welcome Reception.
- Sponsor's logo displayed by roll-ups at the reception area (Roll-up should be provided by the Sponsor).
- Sponsor's logo in the Final Programme (medium size)
- Acknowledgement during opening and closing ceremony
- Half page colour advertisement on one of the inner pages of the Final Programme
- Brief description of the company profile with logo on the LPM2024 website.
- Company logo with hyperlink published on the LPM2024 website

Silver sponsors

Special session sponsor

3.000 € + VAT

- Available for 2 companies.
- 1 Full congress registrations (including Gala Dinner)
- Five minute introduction slot at beginning of the session
- Sponsor's logo displayed by roll-ups at the special session room (Roll-up should be provided by the Sponsor).
- Sponsor's logo in the Final Programme (small size)
- Acknowledgement during opening and closing ceremony
- Footer advertisement on one of the inner pages of the Final Programme
- Brief description of the company profile with logo on the LPM2024 website.
- Company logo with hyperlink published on the LPM2024 website

Poster Board sponsor

3.000 € + VAT

- Available for 1 company
- 1 Full congress registrations (including Gala Dinner)
- Sponsor's logo displayed by roll-ups at the poster area (Roll-up should be provided by the Sponsor).
- Sponsor's logo in the Final Programme (small size)
- Acknowledgement during opening and closing ceremony
- Footer advertisement on one of the inner pages of the Final Programme
- Brief description of the company profile with logo on the LPM2024 website.
- Company logo with hyperlink published on the LPM2024 website

Sponsorship of coffee breaks

3.000 € + VAT

- Available for 6 companies
- 1 Full congress registrations (including Gala Dinner)
- Sponsor's logo displayed by roll-ups at the coffee break area (Roll-up should be provided by the Sponsor).
